Remarks:

Dear Fred:

I submit, without endorsement at this time, the attached Honor Award.

I have discussed this matter with [redacted] and pointed out to him that I have reservations whether an IMM is appropriate, regardless of the merits of the contribution made by [redacted]. I would appreciate it if you would have the HMAB discuss this matter in principle and see whether they believe we do have a suitable award for such accomplishments by [redacted] which are somewhat like those of John Hicks. After receipt of advice from the Board, I will then see where we go on the [redacted] matter.
